Re: Diane Hoey

This letter of reference is written on behalf of Diane Hoey who has served the Antelope Valley Joint Union High School District on behalf of World One Telecommunications for the past several years in the capacity of technical consultant regarding installation and service issues. Ms. Hoey has been instrumental in assisting our district reduce costs by investigating and reducing unused analog telephone lines throughout the district and converting them to digital. Additionally, Ms. Hoey investigates service issues on our behalf and acts as liaison between our district and the telephone companies to resolve issues we may be experiencing. World One Communications, and specifically Ms. Hoey, have been a substantial partner in assisting our district maintain its telecommunications system.

I have found Ms. Hoey to be very personable and appreciate the professional manner in which she represents our district. I believe Ms. Hoey's consultant services worthy of consideration and believe that any organization fortunate enough to obtain her services would be enriched by her professional contributions.
